

NG | Afyon

Right from the first instance we welcome you to the last moment we see you off, we elaborate on giving you a perfect experience. We offer a matchless SPA experience with thermal springs, Afyon's most prominent specialty.

Afyon is declared a city of gastronomy, and we bring the unique cuisine of our city to the tables. While doing this, we share the happiness of coming together and gathering as a family.

We show our differences with our facilities to provide a unique holiday experience. We love to be perfect.

refresh
with Thermal SPA!

THERMAL SPA

Afyon is famous for its thermal springs and has been known for its healing waters for centuries. At NG Afyon, we went beyond the tradition, combined thermal water applications with SPA experience, and introduced the concept of Thermal SPA to our country. Our guests love our thermal pools.

Stay young with thermal waters...

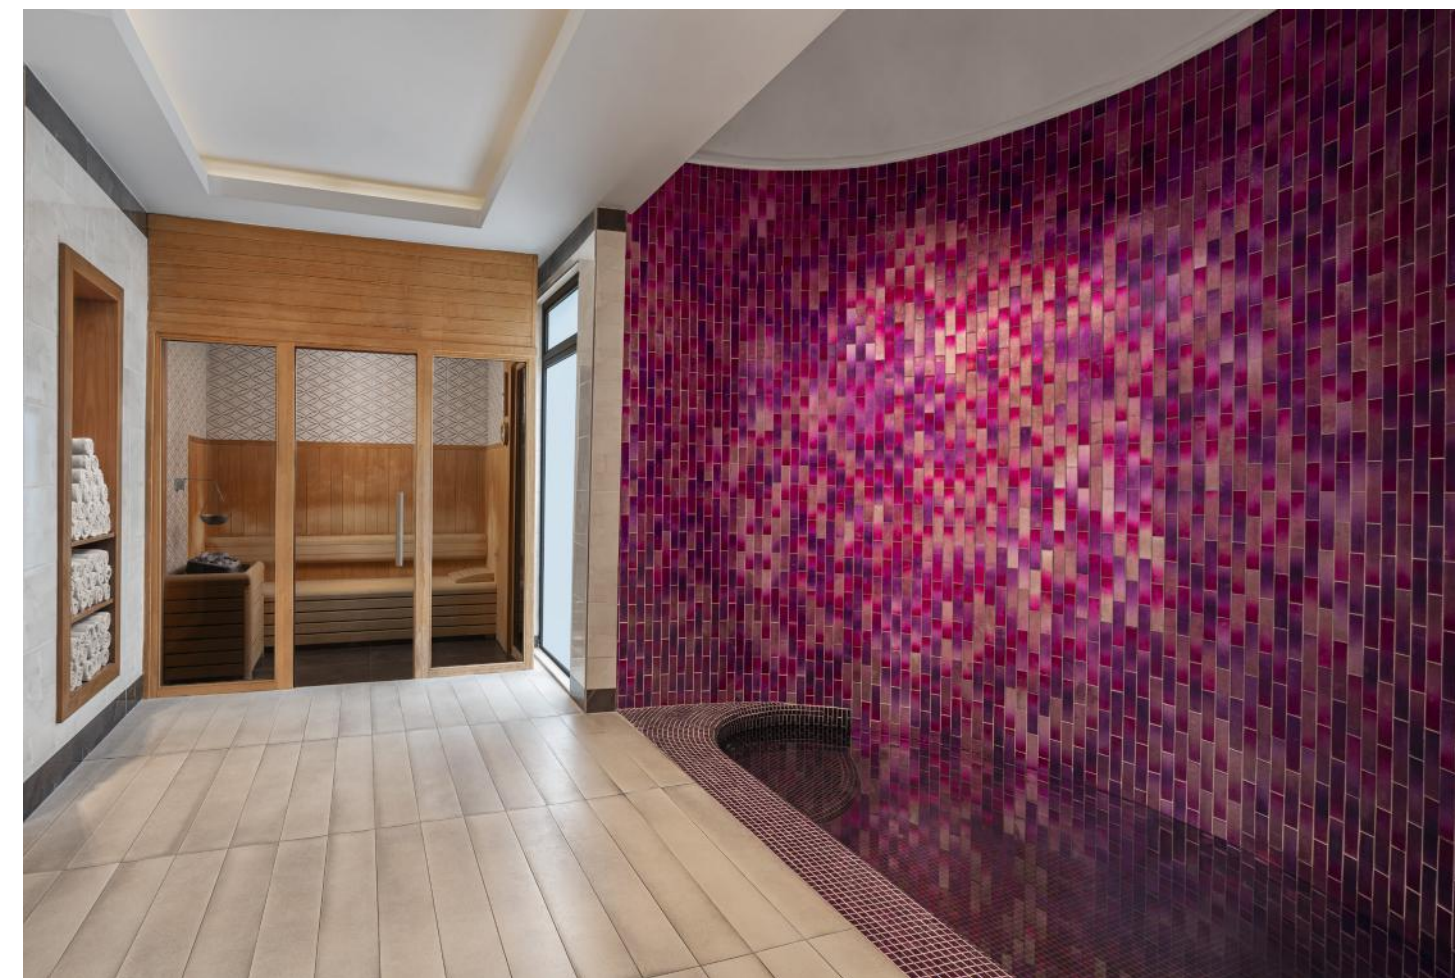

THERMAL SPA

NG Afyon's Thermal SPA area and hammams offer a unique way to refresh your soul and body with Afyon's healing water in its most natural and healthy form. With the world's most famous massage techniques from East to West, this experience will be your perfect vacation.

It's perfect to
harmonize uniquely
the comfort and thermal waters!

We present many prominent features of Afyon, including its thermal waters, cuisine, and culture, in the best way. We also offer novelties never seen before in Afyon. Because we know that Afyon is more exclusive with NG Afyon, offering dream-like privileged experiences.

It's perfect
for kids!

With our supervisors, we act with the awareness that our little guests are our future while they have fun and a pleasant time in the areas specially reserved for them. We keep their fun alive with children's "Squirrel Club."
